

Self-Study Questions

There are some useful self-study questions on-line at

http://media.wiley.com/product_ancillary/4X/08138207/DOWNLOAD/chapter%20reviews.pdf

The link is to the book Forest Products and Wood Science by Smulsky and Jones. The on-line document provides review questions for all of the chapters in the book. The relevant chapters for WOOD 280 are chapters 1, 2, 3, 4, 5, 6 and 11. You may find the other chapters helpful for some of your other courses.

Try to answer these questions first without referring to your notes or any other textbook. Then review those resources and compare and correct your answers where appropriate.
